Per the Examiner's request for an agenda, Applicants request an Examiner Interview to address the following points:

1. The Office Action is defective in that it does not set forth a prima facie case as to all elements of Applicants' claims.
2. The cited portions of the cited reference are not sufficient to disclose all of the elements of claim 1, for example.
3. Whether the rejections rely on other portions of the cited references that are not discussed in the Office Action.

Applicants are available for an Examiner Interview on Wednesday, June 27, 2007 at 2:00 p.m. Central Standard Time (3:00 p.m. Eastern Standard Time). If this time does not work for the Examiner, Applicants request a new time be proposed.

Please do not hesitate to contact me at 612-337-2588 regarding this message.

Respectfully

Craig O. Thompson
